Dear Professor Włodzimierz Łenski,

We have received the report(s) on your submission "Seminormed approximation of bivariable functions by the second type Double Delayed Arithmetic Mean of Fourier series" to FILOMAT,

The referee(s) suggest a minor revision of your paper. Please revise the paper according to suggestions, and then upload the revised PDF file within two weeks. The revision will be checked by the Section Editor/Referee.

Please upload the revised paper under the same ID number, and do not submit the revised paper as a new submission!

Sincerely yours,

Eberhard Malkowsky
