Full title of project: Modellierung des Übertragungsverhaltens nichtlinear deformierbarer Strukturen für die Systemsimulation (MÜNS)

To whom it may concern:

With this letter, we kindly confirm that **dr Maciej Niedziela** from University of Zielona Góra, Poland (WMliE UZ), actively participate in the project entitled *Modellierung des Übertragungsverhaltens nichtlinear deformierbarer Strukturen für die Systemsimulation (MÜNS)* (*Modelling the response of non-linear deformable structures for system simulation*). As a member of the research group in this project, during his regular visits at the Fraunhofer Institute for Industrial Mathematics in Kaiserslautern within the framework of postdoc research fellowship, he conducted his research work in the field of complexity of the constitutive viscoelastic models with particular emphasis on parameter identification and validation method (Work Package 1.2). The results of his scientific research and developed methods for parameter identification and model validation will be included in the final project report.

Yours sincerely,

Prof. Dr. Dieter Prätzel-Wolters
